To secure a challenging position in a progressive organization where I can utilize my skills, knowledge, and dedication to contribute to organizational success while achieving continuous professional growth and career advancement.

Professional Summary

Experienced Front-End and WordPress Developer with 8+ years of expertise in designing, developing, and customizing responsive, SEO-friendly, and high-performance WordPress websites. Strong hands-on experience with HTML5, CSS3, JavaScript, jQuery, Bootstrap, WordPress, WooCommerce, theme customization, plugin integration, custom page template development, and custom WordPress solutions. Proficient in Elementor, Divi, WPBakery, and Gutenberg, with the ability to convert Figma, PSD, and XD designs into pixel-perfect, mobile-responsive websites. Passionate about delivering clean, scalable, and user-focused web solutions for international clients.

Experienced in leveraging AI-powered development tools such as ChatGPT, Claude AI and Google Gemini to improve development efficiency, code quality, and project delivery timelines.
